
Editing Backup Status E-mail Notifications for Each Computer

<https://campus.barracuda.com/doc/100371354/>

Partners can set individual notifications for each client's computer for a more specific reporting scheme. This customization is useful for:

- Clients who want to receive notifications themselves
- Accounts flagged as having issues at any time
- Partners who prefer to receive notifications for individual clients

See [Creating Alert, Notification and Preference Templates](#).
