

Creating a New Template Name

<https://campus.barracuda.com/doc/100371542/>

Create a unique template name to distinguish the template from others.

To create a new template name, perform the following steps.

1. On any Template page, click the edit icon  to display the Template name field, as shown below.

The Template name field is displayed.

2. Click the template name.
The Edit field is displayed.

A screenshot of a modal dialog box for editing the template name. It contains a text input field, a green checkmark icon, and a red 'X' icon. A tooltip above the input field says 'Press ENTER to confirm, ESC to cancel'.

3. Type a unique template name, and then click the confirm icon .
The new template name is displayed.
