Creating a Partner Account on the Barracuda Customer Login provides you access to manage devices and services. The Barracuda Customer Login is **separate** from the [Barracuda Networks Partner Portal](#) and requires the creation of a second account. Users of the two systems are managed independently.

Create User

4. Click **Create User**.
5. The **Barracuda Software License Agreement** page opens. Review the software license agreement and click **Agree**.

6. A notification window opens stating that an email has been sent to you.

Step 2. Verify Your Data and Set the Password for the New Account

1. Log into the email account used in Step 1.
2. Click the **Complete setup** button that is within the email from Barracuda Networks to verify your information.

3. **Barracuda Cloud Control** opens automatically in your web browser.
4. Enter a password and verify the new password by retyping it in the box below.

The password must not contain a "%" character!

The screenshot shows the 'Change Your Password' interface. At the top is the Barracuda logo. Below it is the title 'Change Your Password'. There are two input fields: 'New Password*' and 'Confirm New Password*'. Each field contains a series of dots representing a masked password. Below each field is a green progress bar and the word 'Good'. At the bottom of the form is a blue button with the text 'Change Password'.

5. Click **Change Password** to save the new password.

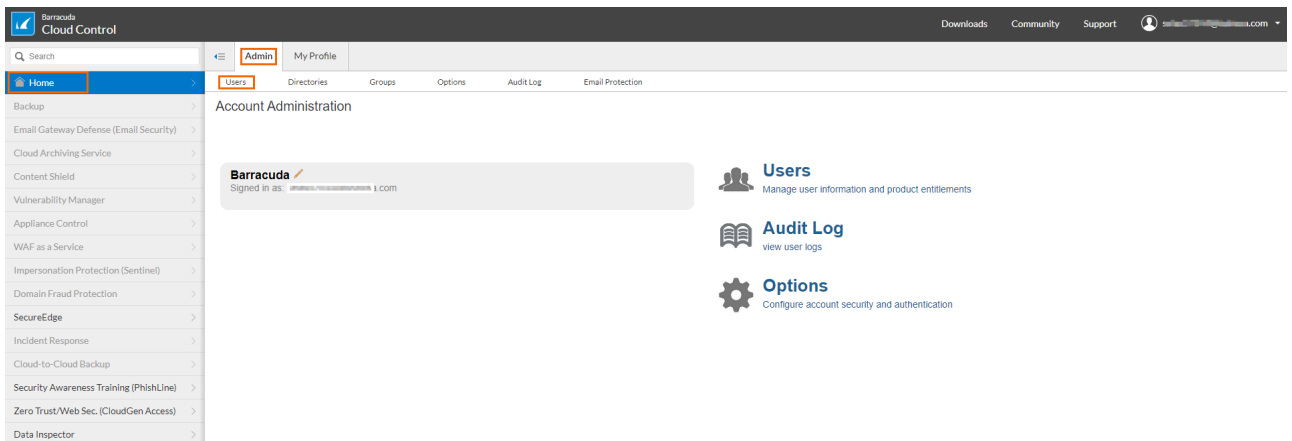

The newly created user can now access Barracuda Cloud Control and Barracuda SecureEdge by using the email address from Step 1 and the password created in Step 2.

Step 3 Enable Access for Barracuda SecureEdge and Zero Touch Deployment

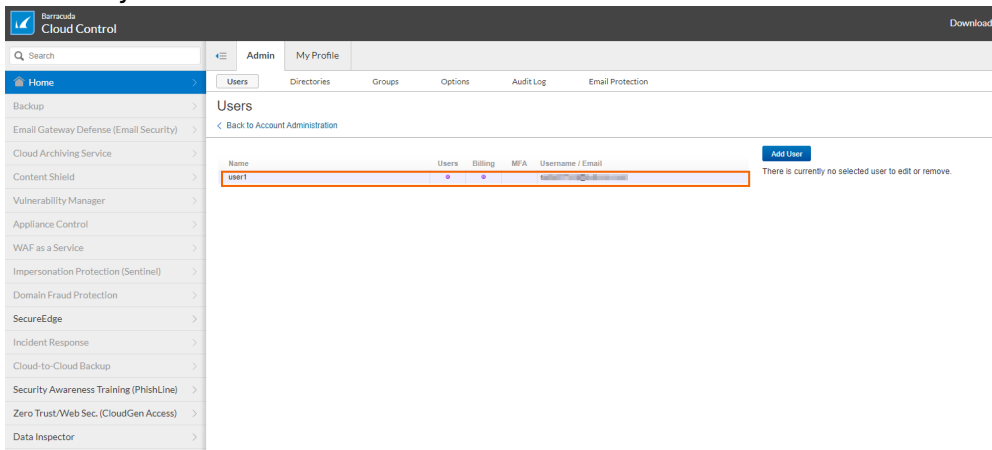

1. Go to <https://sso.barracudanetworks.com/>.
2. Sign in with your email address used in Step 1 and your password created in Step 2.

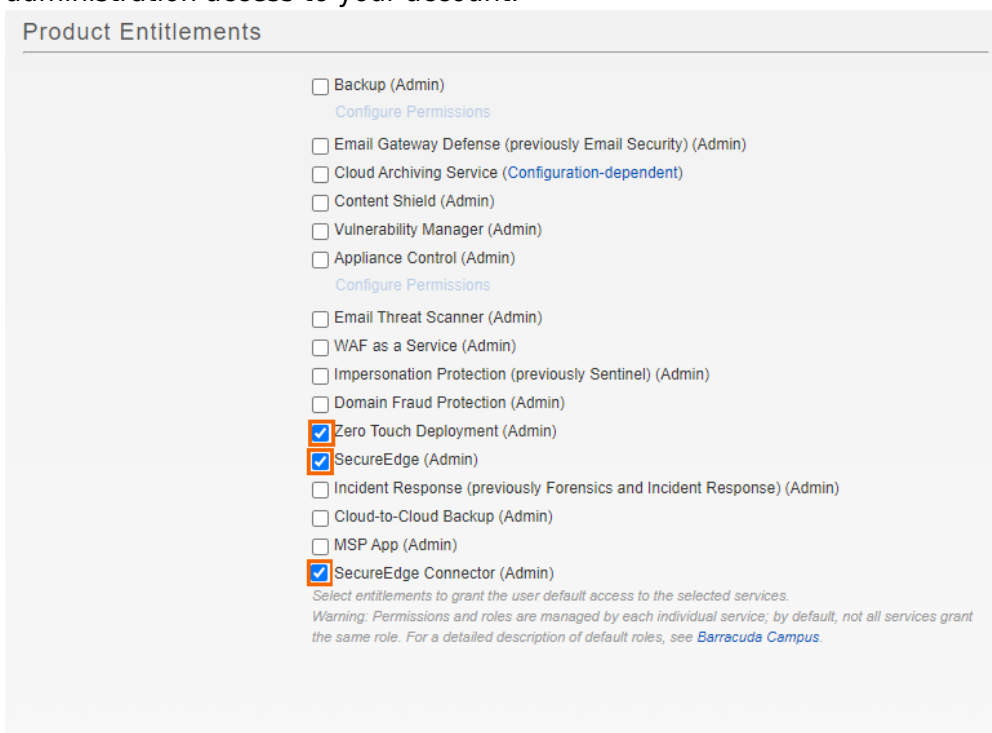

3. Click **Continue**.
4. The **Barracuda Cloud Control** opens automatically in your web browser.
5. Click **Home** in the left menu.
6. Click **Admin** to go to the Account Administration section.
7. Click **Users** to open the User Management section.

8. Click on your own user account in the list.

9. In the **Product Entitlements** section, select the check box next to **Zero Touch Deployment (Admin)**, **SecureEdge (Admin)**, and **SecureEdge Connector (Admin)** to grant administration access to your account.

10. Click **Save user** to save the changes. This account can now be used for Barracuda SecureEdge.

This account can now be used for Barracuda SecureEdge.
