How to View Performance Statistics

https://campus.barracuda.com/doc/3539058/

The **BASIC > Status** page provides an overview of the health and performance of your Barracuda Load Balancer, including:

- Traffic statistics, which shows the number of connections or requests for various types of traffic since the last system reset for up to five Services.
- The subscription status of Energize Updates.
- Performance statistics, such as CPU temperature and system load. Performance statistics displayed in red signify that the value exceeds the normal threshold.
- Hourly and daily traffic statistics.
