
What's New in Barracuda Campus

<https://campus.barracuda.com/doc/40534480/>

Special Edition - December 2021

Barracuda proudly announces the **Barracuda Email Protection plans**. Along with the new plan introduction, some features have new, more descriptive names and have undergone small changes. Campus documentation is updated accordingly.

This special edition of the *What's New* newsletter helps you navigate the new plans and their features. This only affects Barracuda's email portfolio and the DNS Filtering portion of BCS. Other products are not listed in this special edition newsletter.

Highlight

- [Barracuda Email Protection Plans](#) - Learn more about the various plans on this overview page.

Updated Email Documentation

- [Automatic Remediation](#) (formerly part of Barracuda Forensics & Incident Response)
- [DNS Filtering](#) (part of Barracuda Content Shield)
- [Domain Fraud Protection](#) (formerly part of Barracuda Sentinel)
