

## Mail Results Page

<https://campus.barracuda.com/doc/43222883/>

Use the **Mail Results** page to specify to whom the results of the second phase archiving is to be sent, whether successful or not. If you add one or more users to the list on this page, they receive a summary of archiving runs. This can be useful, particularly during the early stages of deployment, for confirming the process is running as expected.
