## How to Customize Barracuda Vulnerability Manager Reports

<https://campus.barracuda.com/doc/45711680/>

### Customizing the Report Header

---

You can customize the top of the first report page with your logo or other image and your name.

1. Click **Show Customize Options** to display the **Customize Appearance** section.
2. Click **Browse** to upload an image. Note that image must be a PNG, GIF, or JPG that is less than 50k in size.
3. In the **Customize Tagline** field, add a tagline for your organization.
4. Click **Save**. Then click **Hide Customize Options**.

Your custom header displays at the top of the report.
