# Understanding the Archiving History Node

https://campus.barracuda.com/doc/48661053/

This article refers to the Barracuda ArchiveOne for Files version 7.2.0 and higher.

Select the Archiving History Node to view past archiving activity on your server(s) as a series of charts and tabular data. Historical archiving activity is presented in a table at the bottom portion of the right pane. Each row represents a policy execution including when a policy was run, completed, the number and total size of items uploaded, and the success state. For example:
