

PCI DSS Reports

<https://campus.barracuda.com/doc/49055222/>

PCI reports detail compliance with Payment Card Industry (PCI) standards and display:

- Combined details of PCI attacks such as top attacking clients, and top attacked services, domains, and URLs
- Details of PCI directives and the Barracuda Load Balancer ADC's compliance with those directives

The following table provides a detailed description of each report in the **PCI DSS Reports** section:

Report Name	Report Description	Graph/Chart Type	Data in Graph Chart
PCI Attacks:
