Administration/Audit Reports

https://campus.barracuda.com/doc/49055227/

Administration/Audit reports cover the login/logout activities performed by different user roles.

The following table provides a detailed description of the report in the **Administration/Audit Reports** section:

Report Name	Report Description	Report Type
RBA Activity	Displays the total number of activities performed by each role. The Role-Based Administration (RBA) activity report includes the following information: • User • Successful Logins • Failed Logins • Last Login • Last Activity • Last Activity Time • Last Logout	Plain Text
