

Campus Help Center

<https://campus.barracuda.com/doc/51188876/>

The Barracuda Campus Help Center space provides instructions on how to log into Barracuda Campus and set up your Customer, Partner, or MSP Partner account correctly. You will also find useful information regarding courses, exams, and certification.

The screenshot shows a web browser window displaying the Barracuda Web Application Firewall documentation page. The browser's address bar shows the URL <https://campus.barracuda.com/product/webapplicationfirewall/>. The page has a dark blue header with the Barracuda Campus logo and a search bar. Below the header is a navigation bar with tabs for Overview, Documentation (which is highlighted), Training, Certification, and Materials. The main content area is titled "About Barracuda Web Application Firewall" and contains a paragraph explaining the product's purpose. To the right of the main content is a sidebar with sections for "For This Product" (containing links to Description, Documentation, Training, and Useful Links), "Additional Resources" (containing links to Glossary, Knowledgebase, and API Documentation), "Login Required" (with a LOGIN button), and "Related Products" (containing links to Active DDoS Prevention and WAF Control Center). Below the main content area is a "News" section featuring a post from Barracuda Campus about a training update for Barracuda Web Application Firewall 11. The browser's taskbar at the bottom shows various application icons and the system clock indicating 10:01 on 21.12.2021.

The screenshot shows a web browser window displaying the Barracuda Web Application Firewall documentation page. The page has a dark blue header with the Barracuda Campus logo and a search bar. Below the header, there's a navigation menu with tabs for Overview, Documentation (selected), Training, Certification, and Materials. The main content area is titled "About Barracuda Web Application Firewall" and contains a paragraph about the product's capabilities. To the right, there's a sidebar with sections for "For This Product" (Description, Documentation, Training, Useful Links), "Additional Resources" (Glossary, Knowledgebase, API Documentation), "Login Required" (with a LOGIN button), and "Related Products" (Active DDoS Prevention, WAF Control Center). Below the main content, there's a "News" section featuring a post from Barracuda Campus about a training update for Barracuda Web Application Firewall 11. The bottom of the browser window shows the Windows taskbar with various application icons and the system clock indicating 19:01 on 21.12.2021.
