Is there anything I should know before taking an exam?

All our exams consist of multiple-choice questions. You will need a computer with Internet connection to take an exam. Since the exam is open book, you can consult reference material or use the Internet while taking the exam. When finishing an exam, you will receive a pass or fail grade. All test results can also be viewed under **History** on the **My Exams** page.

I did not receive an invitation to take my exam.

'The trainer said I would receive an email to take the exam. I haven't received it yet. What can I do?'

Email notifications are sent at the conclusion of a course. Please allow 48 hours after completing a class to receive the email notification. If you have not received the email after 48 hours, first check your junk or spam folder. Otherwise, if you don't have a direct link, you can always find the exams under the respective course and certificate pages.

For courses that consist of individual modules or topics with exams, such as Classroom for Advanced Trainings - WAF + NGF, the corresponding tasks are listed on the certificate page. For example: [NGF03 Barracuda NextGen Firewall F - NextGen Firewall Features.](#)

TAKE EXAM

If the maximum attempts have been exceeded, you must wait a certain amount of time (this can be between 24 hours and 7 days) to retake the exam. To check whether and when you can retake the test, hover over the **Start Exam** button and a pop-up box will appear with all relevant details.

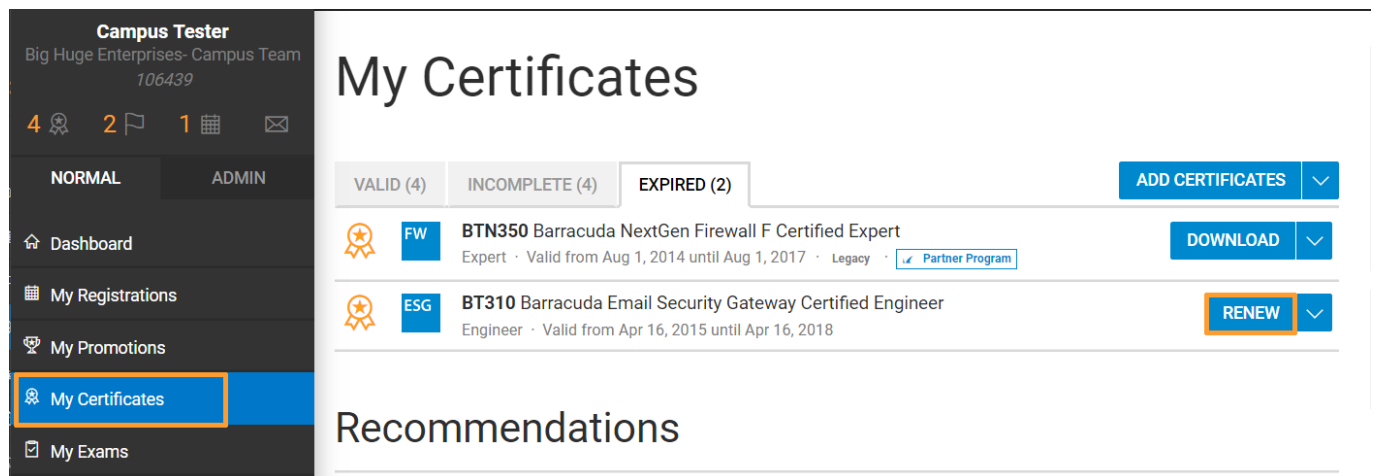

You have reached the maximum number of test attempts. You will again be able to retake this test on 2018-05-07 06:35 pm (GMT-8).

START EXAM**Can you reset my attempt count?**

Resetting the attempt count is not possible. You must wait until you are allowed to retake the exam.

How can I renew an expiring exam?

Extending an expiring certificate is possible at any time, even prior to the date of expiration. To renew a certificate, go to **My Certificates** and click the **Expired** tab. Select **Renew** next to the certificate you wish to extend.

The screenshot shows a user interface for 'My Certificates'. On the left is a dark sidebar with the user's name 'Campus Tester' and team 'Big Huge Enterprises- Campus Team 106439'. Below are icons for 4 people, 2 flags, and 1 calendar. The sidebar has two tabs: 'NORMAL' and 'ADMIN'. A menu lists 'Dashboard', 'My Registrations', 'My Promotions', 'My Certificates' (highlighted with an orange box), and 'My Exams'. The main content area is titled 'My Certificates' and has filters for 'VALID (4)', 'INCOMPLETE (4)', and 'EXPIRED (2)'. There is an 'ADD CERTIFICATES' button. Two certificates are listed:

Icon	Code	Certificate Name	Level	Valid From	Valid Until	Additional Info	Action
	FW	BTN350 Barracuda NextGen Firewall F Certified Expert	Expert	Aug 1, 2014	Aug 1, 2017	Legacy · Partner Program	DOWNLOAD
	ESG	BT310 Barracuda Email Security Gateway Certified Engineer	Engineer	Apr 16, 2015	Apr 16, 2018		RENEW

Below the certificates is a section titled 'Recommendations'.

Exams are also listed on the corresponding course page. To display exams for a course, click on the **Exams** link under **For This Course**.

The screenshot shows a 'For This Course' menu with the following items:
