What is available from the personal menu?

The personal Dashboard page is the page you see when you first log into Barracuda Campus.

When logged in (for example, as a customer), you will see the login and company name on the top left of the navigation.

The small icons under your login details provide the following information:

- *Certificates* – Shows the amount of valid certificates.
- *Goals* – Shows the amount of training goals set.
- *Registrations* – Shows the amount of upcoming course registrations.
- *Notifications* – Shows the amount of unread notifications.

Navigation Tabs

The navigation section under the login details lets you access the following information:

Dashboard

Clicking on "Dashboard" opens a new page from where you can access the following tabs:

- "News" - Shows notifications about new releases, personal announcements, etc.
- "Product Updates" - Shows updated documentation for products marked as favorites.
- "Training - Shows" a list of upcoming training dates for products marked as favorites.

Registrations

Clicking on "Registrations" opens a new page from where you can access the following tabs:

- "Upcoming" - Shows upcoming registrations including the possibility to add dates to the calendar.

Registrations

- "Past" - Shows all past registrations.

Certificates

Clicking on "Certificates" lets you view completed, expired, and recommended certificates. From here you can also download and print completed certificates.

- "Valid" - Shows all valid certificates.
- "Incomplete" - Shows all certificates that have been added to your goals.
- "Expired" - Shows all certificates that have expired.
- "Recommendations" - The lower section of this page shows certificate recommendations resulting from recent certification and product choice.
