

Firmware Upgrade Policy

<https://campus.barracuda.com/doc/68361399/>

Verify you are running at least the Legacy Release firmware. *Firmware versions older than the latest Legacy Release are not supported.*

Firmware version 5.1.1 or higher is required for Barracuda Cloud Archiving Service connectivity.

Energize Updates

Barracuda Message Archiver requires an Energize Updates subscription for firmware upgrades and Technical Support.

If your Energize Updates Subscription expires, contact Barracuda Networks Sales to renew your subscriptions.

Firmware Release Example

*Note that the information listed in the table below may not be current. Go to the **Advanced > Firmware Update** page in the web interface for the latest firmware availability.*

Major Firmware	Latest Maintenance Release	Firmware Upgrade
Version 5.4	5.4.2.002	Early Release
Version 5.4	5.4.1.008	General Release
Version 5.3	5.3.0.009	Legacy Release

Early Release firmware is subject to partial testing. Be aware of the risks before upgrading as firmware versions cannot be reverted.
