

Understanding Your Barracuda Cloud Control Account

<https://campus.barracuda.com/doc/69960180/>

Barracuda Cloud Control is a service linked to your customer account. After you log into your account, you can link your Barracuda Networks appliances and services to Barracuda Cloud Control.

Go to <https://login.barracudanetworks.com/> and enter your login credentials. Click **Sign In** to log into your account. After you have logged in you can [create users](#) in your Barracuda Cloud Control account, and assign various permissions to each user for access to Barracuda Cloud Control.

You can link Barracuda appliances and services to your Barracuda Networks account, including:

- Barracuda Backup
- Barracuda Email Security
- Barracuda Cloud Archiving Service
- Barracuda Web Security
- Barracuda Vulnerability Manager
- Barracuda WAF-as-a-Service
- Barracuda Sentinel
- Barracuda Forensics and Incident Response
- Barracuda Cloud-to-Cloud Backup
- Barracuda Appliance Control:
 - Barracuda Email Security Gateway
 - Barracuda Web Security Gateway
 - Barracuda Web Application Firewall
 - Barracuda Message Archiver
 - Barracuda Link Balancer
 - Barracuda Load Balancer
 - Barracuda NextGen Firewall X-Series

Note

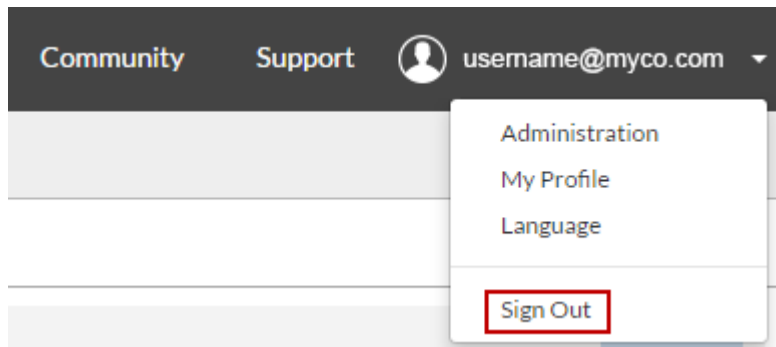

For each Barracuda Cloud Control account, use **only one** of the following email protection products:

- Barracuda Email Security Gateway linked appliance
- OR -
- Barracuda Email Security Service subscription

When you log into your Barracuda Networks account, click the desired service in the left pane, or click **Appliance Control** to manage your Barracuda devices.

Continue with [How to Connect Your Barracuda Networks Products to Barracuda Cloud Control](#) .

To log out of your Barracuda Cloud Control account, click your user name at the top right of the screen, then select **Sign Out** .
