

How to Create a Partner Account

<https://campus.barracuda.com/doc/69960191/>

Use the following steps to create a new partner account:

1. Log into Barracuda Cloud Control at <https://login.barracudanetworks.com>.
2. Click **Create a User**; the **Create New User** window displays:

Create New User

Name

Email Address

Company Name

This is a partner account

Cancel Create User

By creating a user, you agree to our [Terms & Conditions](#)

3. Select **This is a partner account**, and enter your partner name, email address, and partner number in the associated fields:

Create New User

 This is a partner account

Creating a Partner Account on the Barracuda Customer Login provides you access to manage devices and services. The Barracuda Customer Login is **separate** from the [Barracuda Partner Portal](#) and requires the creation of a second account. Users of the two systems are managed independently.

By creating a user, you agree to our [Terms & Conditions](#)

4. Click **Create User**.
