
Managing Connected Device Services

<https://campus.barracuda.com/doc/69960200/>

View connected device services and manage cloud subscriptions from the **Home > Admin > Services** page.

The **Services** table displays the following details for each device:

- **Serial** - Displays the device serial number.
- **Device Name** - Displays the device name.
- **Model** - Displays the device model.
- **Energize Updates** - Displays Energize Updates subscription status expiration date; the status displays as **N/A** if there is no subscription.
- **Instant Replacement** - Displays Instant Replacement subscription expiration date; the status displays as **N/A** if there is no subscription.
- **Cloud Subscriptions** - Displays the cloud subscription expiration date and plan size (unlimited, storage, or number of users). The status displays as **N/A** if there is no cloud subscription.

Edit Metered Cloud Service

1. To modify the cloud subscription, click **Edit** in the **Cloud Subscriptions** field.
2. In the **Edit Service** dialog, modify the plan size as desired, and then click **Save**.

Note that costs resulting from plan changes take effect on your next invoice.
