

How to Change the Preferred Language

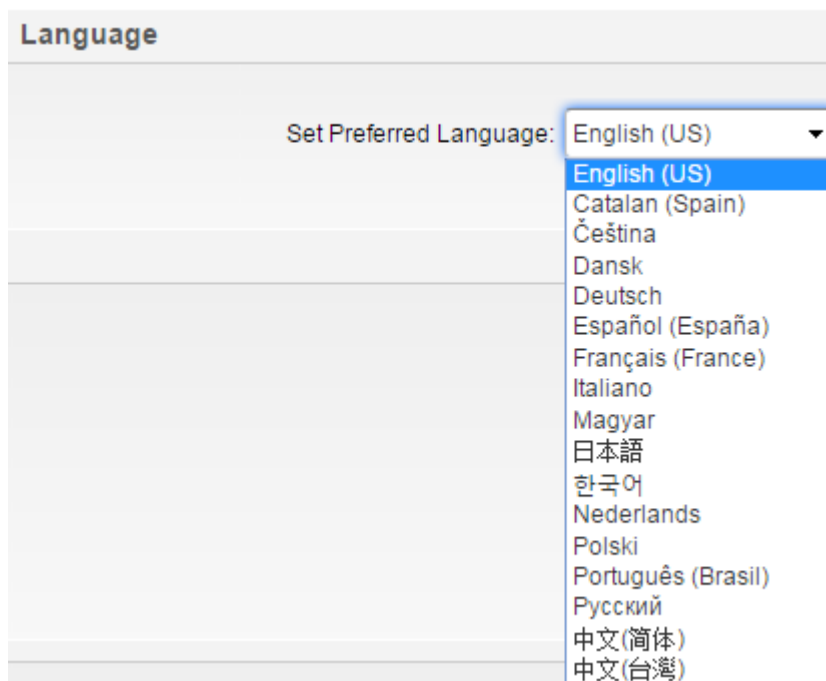

<https://campus.barracuda.com/doc/69960203/>

Use the language selector to change the language you want to use to display Barracuda Cloud Control:

1. Log into <https://login.barracudanetworks.com/>.
2. In the top right corner, click the down arrow next to your user name, and click **Language**:

3. The **Profile** page displays. In the **Language** section, click the **Set Preferred Language** drop-down menu:

4. Click on the language you want to use; the system automatically updates with your selection.
