

How to Automatically Add a Partner Administrator

<https://campus.barracuda.com/doc/69960219/>

Use the following steps to automatically add a partner administrator to a new customer account:

1. Log in to Barracuda Cloud Control using your partner credentials.
2. Click the **Home** link in the left pane, and click **Admin > Users**.
3. Click on the Partner Admin name; the user details display in the right pane. Scroll down to the **Customers** section. The list displays the accounts to which the Partner Admin has entitlements.
4. Select the **Automatically add this user to all new customer accounts** checkbox:

Customers

Manage the user's other accounts and their entitlements on those accounts.
