

How to Remove a Managed Customer Account

<https://campus.barracuda.com/doc/69960220/>

Use the following steps to remove a managed customer account:

1. Log in to Barracuda Cloud Control using your partner credentials.
2. Click the **Home** link in the left pane, and click **Partner > Customer Accounts**. Then click **Manage Customer Accounts**.
3. The **Manage Customer Accounts** page displays.
4. Click on the customer you want to remove, then click Remove Customer. The confirmation dialog displays:

5. Click **OK**. The customer is removed from the list.
