Barracuda Reporting Server - Overview

https://campus.barracuda.com/doc/75170756/

Important Notice

Barracuda Reporting Server is currently available only in version 2.0. Earlier versions have been decommissioned. If you have a pre-2.0 version, follow the instructions below to update your firmware.

Read more about Barracuda Reporting Server version 2.0.

To update the firmware:

1. Navigate to the **ADVANCED > Firmware Updates** page.
2. In the **Firmware Download** section, see if there is a new version available.
3. Read the release notes for this firmware version.
4. If you are certain you want to update the firmware, click **Download** to download the new firmware.
5. When the firmware has been downloaded, click **Apply Now**.
