
How to Add the Barracuda Cloud-to-Cloud Backup Service

<https://campus.barracuda.com/doc/78154887/>

Barracuda Cloud Control Account

To complete the setup you must have a Barracuda Cloud Control account.

For partners, be sure to read [How to Add a Managed Customer Account](#). See also [Partner Accounts](#).

1. Log into <https://login.barracudanetworks.com/> using your Barracuda Cloud Control account credentials, or, if you do not have an account:
 1. Click **Create a User**.
 2. Enter your user details, and click **Create User**.
 3. Read and accept the **Terms and Privacy**.
 4. Follow the instructions emailed to the entered email account to log in and create your Barracuda Cloud Control account.

See [Password Complexity Policies](#) before creating your Barracuda Cloud Control password.

2. Once logged in, the **Home > Account Administration** page displays.

Link and Activate Your Subscription

1. Log into <https://login.barracudanetworks.com/> using your Barracuda Cloud Control account credentials.
2. Navigate to **Home > Admin > Email Protection**.
3. Select **Enter an Activation Key**. You should have received an email with a product activation key. For more information, see [How to Activate Products Using an Activation Key](#).
