

Step 1: Creating a Cloud Security Guardian Account - AWS

<https://campus.barracuda.com/doc/78155904/>

To create a Barracuda Cloud Security Guardian account, follow these steps.

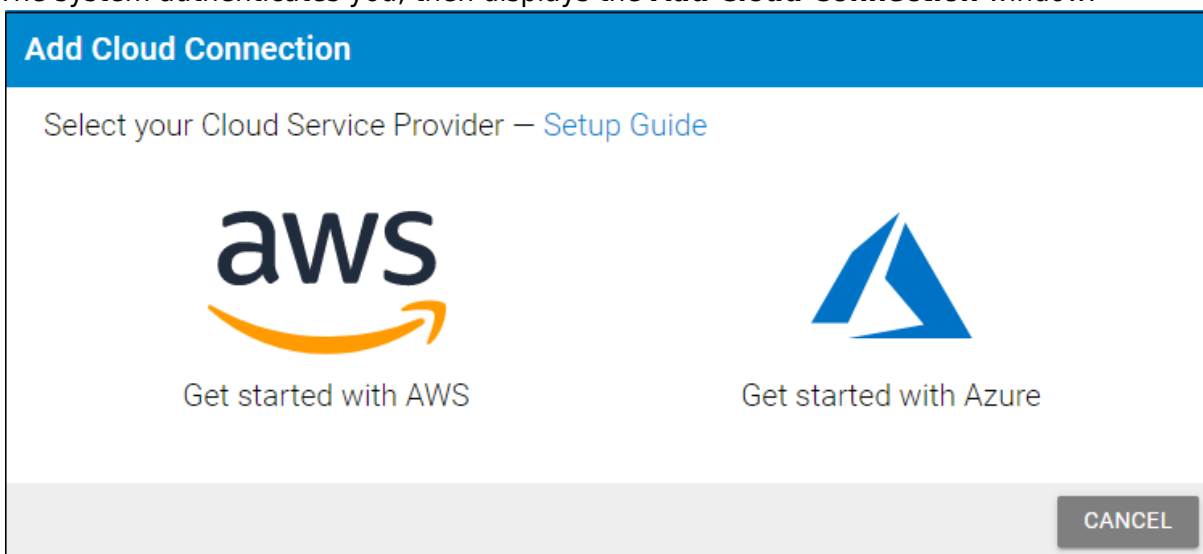

1. In a browser, navigate to csg.barracudanetworks.com.

Note: If you received an email invitation for Barracuda Cloud Security Guardian, click the link in the email invitation and proceed to Step 5 below.

2. Click **Free Trial**.

Note: The trial period is 30 days. Before the 30 days are over, you must specify a license. Refer to [License Management](#) for details.

3. Provide your email address and click **Register**.
4. An email is sent to you. Click the link in the email to confirm your identity.
5. Complete the registration form then click **Complete Registration**.
6. Read the Barracuda Networks Software License Agreement, then click **Agree**.
7. The system authenticates you, then displays the **Add Cloud Connection** window.

Continue with the next step, [Step 2: Adding a Cloud Service Account - AWS](#).
