Link the Barracuda Backup Vx and Receiver Vx

https://campus.barracuda.com/doc/78809284/

Barracuda Networks provides you with the serial number, linking code, and license token for the Barracuda Backup Vx. See Barracuda Backup Virtual Deployment for more information.

Note that the Barracuda Backup Receiver Vx must be provisioned and linked *after* the Barracuda Backup Vx as the Receiver Vx inherits its subscription status from the Barracuda Backup Vx.
