

End of Support and End of Life Information

<https://campus.barracuda.com/doc/79462498/>

This article outlines the Barracuda Networks product support guidelines for the Barracuda Web Application Firewall lifecycle. The objective of this policy is to standardize and normalize product lifecycle practices to assist you in making informed purchase, support, and upgrade decisions. Customers who operate Barracuda Web Application Firewall products under a valid Support & Maintenance Agreement are entitled to the benefits associated with this policy.

For information about end-of-life policies for software versions, refer to [Barracuda Networks Sunset Policy](#)

For more information about end-of-life policies for Barracuda Web Application Firewall models, refer to [Hardware End of Sale/End of Life](#).
