

Barracuda NextGen Firewall X Appliances - EoS / EoL Definitions

<https://campus.barracuda.com/doc/79465107/>

End of Sale (EoS)

Last order date for the product as well as for all options associated to that product including any maintenance contracts, software subscriptions, content security subscriptions, etc. Please note that purchase of hardware maintenance subscription (Instant Replacement) covers up to the defined EoL date of the product. After the defined EoS date, hardware support packages are no longer available for purchase, nor for extension. Between the EoS date and the EoL date, software subscriptions (e.g., SSU, EU) and content security subscriptions (e.g., URL filter, antivirus) may be extended, but not beyond the EoL date. In case of a hardware failure after EoS date, customers may be required to transition to the same or similar hardware.

End of Life (EoL)

Last day of firmware support for this hardware and firmware product bundle including software subscriptions, content security subscriptions and any hardware maintenance subscription. Barracuda NextGen Firewall X-Series firmware released after this date will no longer be tested or supported on this hardware model and may or may not work. In case of a hardware failure after EoL date, customers may be required to transition to different hardware.
