Required Configuration Steps

Logging into Barracuda PhishLine

To log into Barracuda PhishLine:

1. Navigate to <https://phishline.com/login> or click the PhishLine link from within your Barracuda Cloud Control (BCC) account.
2. Enter your email address and click **Next**.
3. When your organization's Barracuda PhishLine instance appears, enter your login credentials and click **Sign In**.

If you have problems with your initial login, contact your Barracuda PhishLine representative or contact [Barracuda Support](#).

Resetting Your Password

When you first log into Barracuda PhishLine, you must reset your password. Follow the instructions described in [Resetting Your Password](#).

Additional Administrators

If you require additional administrative users – people who can create and run campaigns – on your account, refer to [User Management](#).

Barracuda PhishLine Workflow

Learn about the basic Barracuda PhishLine workflow in [Getting Started: Workflow Basics](#).
