About Symantec Backup Exec

https://campus.barracuda.com/doc/84313544/

Symantec Backup Exec provides fast, reliable backup and restore capabilities for servers and workstations across the network.

Within Barracuda Managed Workplace, you can get snapshot views of your backup environment. It also provides remote access to the Backup Exec server so that you can prepare backup jobs or remediate any issues.

See “Using Service Modules” in the User Guide or online help
