

Viewing Reports for Symantec Backup Exec

<https://campus.barracuda.com/doc/84313564/>

Three new reports are available for Backup Exec.

Backup Exec Operational Report v2 Provides configuration details of current jobs for Backup Exec servers

Backup Exec Job History v2 Provides a summary of job results for a site

Current Backup Exec Job Details v2 Provides configuration details of current jobs for Backup Exec servers

You can view these reports from the Backup Exec dashboard, or you can access them from the Reports list.

Note: If you delete one of these reports, then the link on the Backup Exec dashboard won't work. However, you can re-import it from the partner portal. See "Importing a Report from the Partner Portal" in the User Guide or online help.

1. In Service Center, do one of the following:
 - On the Central Dashboard, click the Symantec icon for a site.

Symantec icon

2. Under Backup Reports, click the name of the report you want to view.
3. Specify the time period and click Preview.
