

## Symantec Backup Exec Service Module Integration Guide

<https://campus.barracuda.com/doc/84314016/>

A service module is an enhanced policy module that includes a dashboard, monitors, reports and scripts. Service modules enable Barracuda Managed Workplace to integrate with different software vendors. The service module included in this release is for Symantec Backup Exec 2010 R3 or Symantec Backup Exec 2012.
