

Multi-Site Overview

<https://campus.barracuda.com/doc/89620767/>

The Multi-Site Overview page lists all the Onsite Managers with the Office 365 2.0 Service Module installed. You can click a site name to go see the details of that Office 365 account. The Search Health grid lists all Office 365 services and their current status. Note that the grid lists all Office 365 services, regardless of the whether the site is subscribed to them or not.

To view the Multi-Site Overview

1. In Service Center, click **Status > Service Modules**.
2. Do one of the following:
 - Click the **Microsoft Office 365 2.0** link.
 - Under **Management**, on the right side, click **Microsoft Office 365 2.0**.

Status / Service Modules / Microsoft Office 365 2.0
