## Renaming a Third Party Patch Policy

<https://campus.barracuda.com/doc/89620995/>

In order to use Advanced Software Management to apply updates, you must purchase an additional license. Contact your Barracuda sales representative.

You cannot rename the **Default Advanced Software Management** policy.

1. In Service Center, click **Configuration > Policies > Advanced Software Management**.
2. Click the name of the policy that you want to edit.
3. Click **Modify**.
4. Type a new name in the **Policy Name** box.
5. Click **Save**.
