

## Overriding Power Plan Precedence for a Device

<https://campus.barracuda.com/doc/90440127/>

You can override the default power plan precedence and give a power plan on a specific device higher precedence.

A power plan assigned to a device is given the highest precedence.

1. In Service Center, click **Status > Devices**.
2. Click a device name.
3. Click **Power Management** on the right sidebar.
4. Click the **Edit** icon.
5. Ensure the **Configure Override** check box is selected.
6. Select one of the power plans from the list.
7. Click **Save**.
