

Removing a Device or Group from a Power Plan

<https://campus.barracuda.com/doc/90440145/>

1. In Service Center, click **Configuration > Power Management**.
2. Click the name of the power plan you want to rename.
3. Do one of the following:
 - Under **Applied Groups**, select the check boxes for the groups you want to remove from the power plan and click **Delete**.
 - Under **Applied Devices**, select the check boxes for the devices you want to remove from the power plan and click **Delete**.
4. Click **Save**.
