## Viewing Devices at a Site

<https://campus.barracuda.com/doc/90440767/>

The **Devices** page gives you a summary of the devices at a site, including:

- the total number of devices
- the number of down devices
- the number of active alerts

You can click on a device name to open the device **Overview** page to view more details.

1. In Service Center, click **Dashboards > Central Dashboard**.
2. Click the name of a site
3. Click **Devices** on the right sidebar.

### To view devices at a site by device type

---

1. In Service Center, click **Status > Central Dashboard**.
2. Click the name of a site.
3. In the **Network Overview** area, click the number beside any of the following device types:
  - **Device Count (to view all devices)**
  - **Devices Down**
  - **Servers**
  - **Workstations**
  - **OS X**
  - **Printers**
  - **VM Guests**
  - **Linux/Unix**
  - **Excluded Devices**
