

## Importing a Service Module

<https://campus.barracuda.com/doc/90441723/>

You can import service modules that you have exported from Service Center.

1. In Service Center, click **Configuration** > **Service Modules**.
2. Click **Add**
3. Click **Choose File** to locate the **service module**.
4. Click **Import**.

If you export a service module, only the monitoring policies are exported.
