Account Takeover Incidents

https://campus.barracuda.com/doc/91985522/

The Incidents page enables you to see Account Takeover Incidents that you have already created and to create new incidents.

1. Log into the Impersonation Protection at https://sentinel.barracudanetworks.com/signin.
2. From the **Spear Phishing Protection** page, in the **Account Takeover Protection** section, click **View Account Takeover Alerts**.
   Alternatively, click the menu icon and select **Account Takeover Protection**.
3. Select the **Incidents** tab. The table displays all of the Account Takeover incidents you have created.
4. To find more information about a certain incident, click its corresponding **View Incident** link.

To create a new incident, click **New Incident** at the top of the page. Follow the steps for creating an incident described in Handling an Account Takeover.
