

Does Intronis back up Hyper-V virtual machines running Linux?

<https://campus.barracuda.com/doc/93198156/>

Yes, so long as Integration Services is installed on the Linux guest machine. As a warning, any Linux virtual machine being backed up may need be put into a saved or paused state. Integration Services supports the following distributions:

- Red Hat Enterprise Linux (RHEL)
- CentOS
- SUSE Linux Enterprise Server
- Open SUSE
- Ubuntu
- Oracle Linux

More information on Integration Services compatibility can be found here:
