How to Register with Barracuda Campus

1. Click <https://campus.barracuda.com/product/echobackup/certificates/> in the ECHOplatform portal to access the Certifications
2. Click **Login** in the top right corner of Barracuda Campus.
3. Click the link **Don't have an account?**
4. The **Register Account** screen is displayed.
5. Enter the required information. The email address must be your business email address, for example jdoe@company.com. It cannot be support@company.com, or jdoe@gmail.com, or any other personal or generic account. Also, the email address must be on file with Intronis MSP Solutions. Please contact your partner manager (1-800-569-0155 option 2, or support@intronis.com) if you have questions about this.
6. Click the **Submit Registration** button.
7. The next screen will inform you to check your email.
8. If you are a new Intronis MSP Solutions partner you will receive an email letting you know that your email address has been recognized as a Partner. Click the link and complete the registration.
9. If you already had an account with Barracuda Campus, you will also receive an email, this time informing you that you already have an active account. The email provides a link in case you have forgotten your password. If you already had an account, the process of registering again will upgrade your account allowing you access to the Intronis product information.
