You must be logged in to see the Training tab.

The Barracuda MSP Sales Enablement program is designed with your success in mind. The goal of this enablement program is to educate your sales team on how to position various Barracuda MSP solutions and how each solutions can benefit your customers, while growing your business, at your own pace.

This enablement program is separated based on Email Protection, Network Security, and Data Protection. Upon completion of each area, you are sales certified! Download your certification and share it on Insiders to claim your reward!

To get started, go to the Training tab and start your sales certification program.
