

## How to Activate Cloud-to-Cloud Backup

<https://campus.barracuda.com/doc/96017519/>

### Barracuda Cloud Control Account

To complete the setup you must have a Barracuda Cloud Control account.

For partners, be sure to read [How to Add a Managed Customer Account](#). See also [Partner Accounts](#).

1. Log into <https://login.barracudanetworks.com/> using your Barracuda Cloud Control account credentials, or, if you do not have an account:
  1. Click **Create a User**.
  2. Enter your user details, and click **Create User**.
  3. Read and accept the **Terms and Privacy**.
  4. Follow the instructions emailed to the entered email account to log in and create your Barracuda Cloud Control account.

See [Password Complexity Policies](#) before creating your Barracuda Cloud Control password.

2. Once logged in, the **Home > Account Administration** page displays.

### Link and Activate Your Subscription

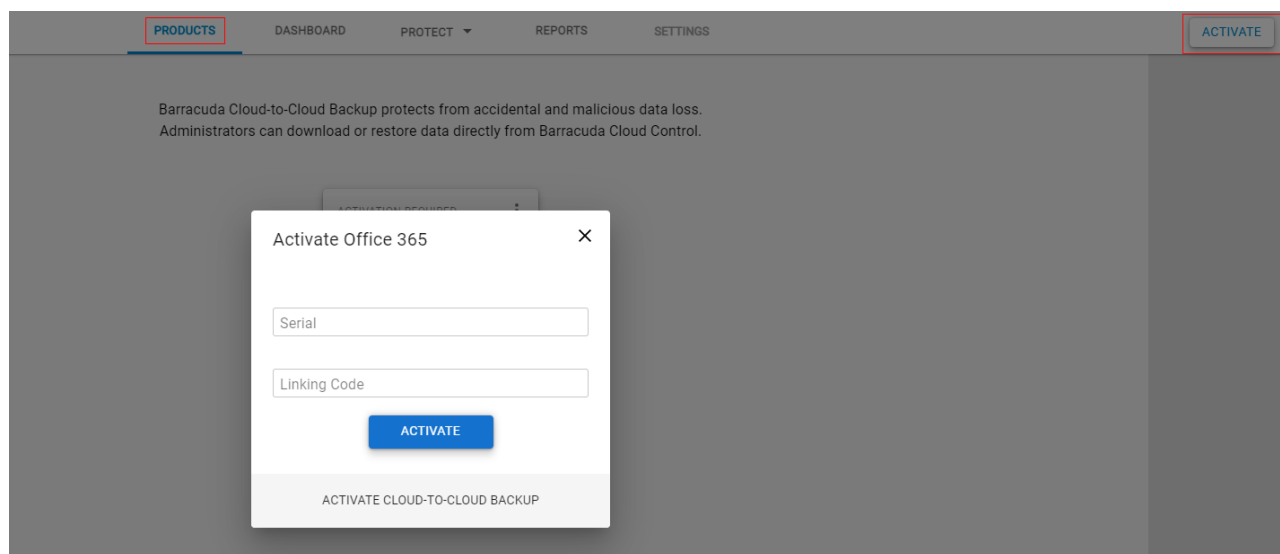

You can link and activate your Cloud-to-Cloud Backup subscription from a trial or as part of your Barracuda Email Protection subscription.

If you received an email with a product activation key (i.e. XXXXX-XXXXX-XXXXX), see [How to Activate Products Using an Activation Key](#). Otherwise, use the following instructions to activate your product within Cloud-to-Cloud Backup.

#### Activate from a Cloud-to-Cloud Backup Trial

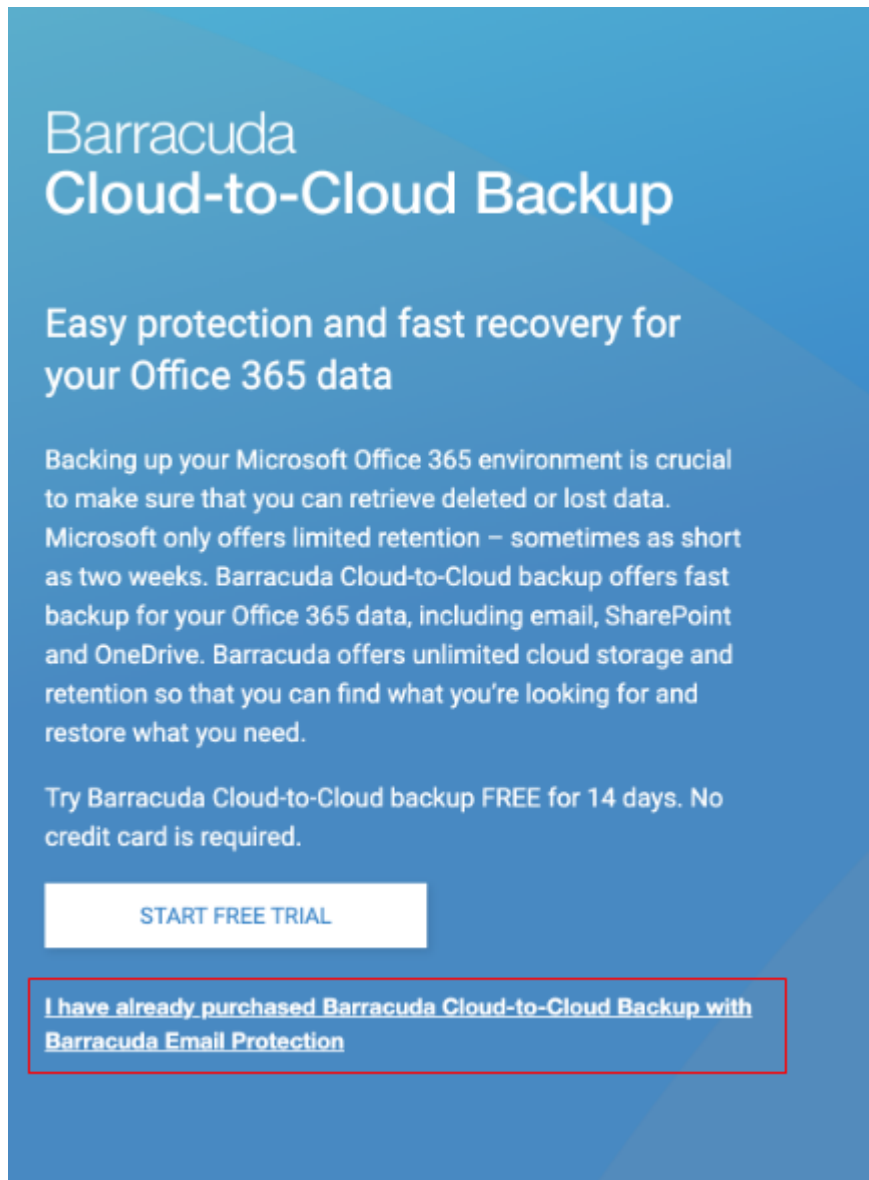

1. Log into <https://login.barracudanetworks.com/> using your Barracuda Cloud Control account credentials. Select the Cloud-to-Cloud Backup Source in the left pane.
2. Navigate to the **Products** page from the top navigation menu, and click the **ACTIVATE** button at the top right corner.
3. Enter your **serial number** and **linking code**, and click **ACTIVATE** in the popup window.

You should have received an email from Barracuda Networks with this information after purchasing your Cloud-to-Cloud Backup subscription.

## Activate a Cloud-to-Cloud Backup Paid Subscription

1. Log into <https://login.barracudanetworks.com/> using your Barracuda Cloud Control account credentials.
2. Select the Cloud-to-Cloud Backup Source in the left pane.
3. Click **I have already purchased Barracuda Cloud-to-Cloud Backup with Barracuda Email Protection.**

The image shows a landing page for Barracuda Cloud-to-Cloud Backup. It has a blue background with white text. The title 'Barracuda Cloud-to-Cloud Backup' is at the top. Below it is the subtitle 'Easy protection and fast recovery for your Office 365 data'. The main text describes the benefits of the backup service, mentioning that it backs up Microsoft Office 365 data, including email, SharePoint, and OneDrive, and offers unlimited cloud storage and retention. A 'START FREE TRIAL' button is visible. At the bottom, there is a red-bordered box containing the text 'I have already purchased Barracuda Cloud-to-Cloud Backup with Barracuda Email Protection'.

# Barracuda Cloud-to-Cloud Backup

## Easy protection and fast recovery for your Office 365 data

Backing up your Microsoft Office 365 environment is crucial to make sure that you can retrieve deleted or lost data. Microsoft only offers limited retention – sometimes as short as two weeks. Barracuda Cloud-to-Cloud backup offers fast backup for your Office 365 data, including email, SharePoint and OneDrive. Barracuda offers unlimited cloud storage and retention so that you can find what you're looking for and restore what you need.

Try Barracuda Cloud-to-Cloud backup FREE for 14 days. No credit card is required.
