

## Overview of Assigning Roles, Access, Products, and Services

<https://campus.barracuda.com/doc/96768189/>

Partners roles, access, products and services are assigned to Subpartner accounts using the following process.

Stage	What Happens
1	After a primary partner purchases products, and services from Barracuda, portal users assigned with Admin permissions can create Subpartners and accounts that can be added to the portal.
2	Users assigned with Admin permissions create Subpartner accounts and assign Entitlements for products and services. Roles and access permissions are also assigned.
3	Users assigned with Admin permissions can add, edit, or delete accounts and change account options of the products and services.
