

## What's New in Barracuda Campus, August 2022

<https://campus.barracuda.com/doc/96772374/>

### August 2022

The Barracuda Campus newsletter is published monthly with a listing of new and updated articles by product. The **Highlights** section announces new product documentation and other major additions or updates to the Barracuda Campus. Check back each month to see What's New!

Please direct feedback and questions to [campus@barracuda.com](mailto:campus@barracuda.com).

### Choose Your Product

### Highlights

- As of **March 1, 2022**, the legacy Barracuda Total Email Protection, Essentials Security, Compliance, and Complete editions are no longer available for purchase. Only existing customers can renew or add users to these plans. For more information on the latest Email Protection plans, see [Barracuda Email Protection](#). To update your bookmarks, see the following for the latest documentation:
  - [Email Gateway Defense \(Formerly Email Security Service\)](#)
  - [Cloud-to-Cloud Backup](#)
  - [Cloud Archiving Service](#)

Note that MSP customers should continue to follow [Barracuda Essentials for MSPs](#).
