

Modifying Report Options for Custom Reports

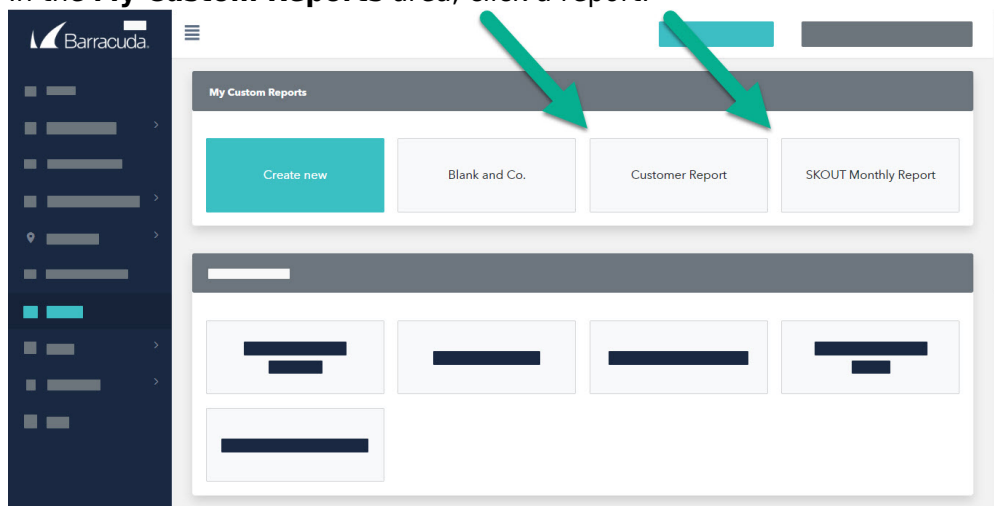

<https://campus.barracuda.com/doc/96774377/>

After you have created a custom report, you can modify it by changing or deleting any of the pages in it. You can also duplicate any of the page in the report, or delete any page.

You can modify a custom report you have created. You can't modify a report that was shared with you but was created by someone else.

To edit report options

1. In **Barracuda XDR Dashboard**, click **Reports**.
2. In the **My Custom Reports** area, click a report.

3. Click **Modify Report** .
4. Edit any of the basic report information in the left column.
5. Click **Save Changes**.
