**Instructions**

Getting started with your Barracuda products is quick and easy. If you don't have a Barracuda user account already, [create a user account and log in to Barracuda Cloud Control](#).

Once your user account is created, or if you already have a Barracuda user account, [visit the Activation website to activate your product](#).

Enjoy your new Barracuda product!

Need more help? Contact [Barracuda Support](#).

You are now redirected to the activation page to complete the activation process. Ensure you

are logged into Barracuda Cloud Control, or [create a new Barracuda Cloud Control account](#).

4. Your product activation key should prepopulate in the **Activation Key** field. Choose the account and country you are activating. Click **Continue**.
5. Review the license agreement and check the **I accept the terms of the Barracuda software license agreement**. You must scroll down the entire document before you can agree to the license agreement.
6. Click **Continue**. On the **Preview Activation** page, verify that your Barracuda product trials and subscriptions you are about to activate and your account information are correct. Then click **Activate**.
7. On the **Product Activation** page, wait while your products are being activated. You will see a green checkmark next to the products that activated successfully. For red exclamation marks next to any products, contact [Barracuda Technical Support](#) for more information.

Your product trials and subscriptions are now activated. You can also click **View all subscriptions** to view your subscriptions.
