Customer Features

This release of Barracuda XDR includes the following new or improved Customer features:

Improved Navigation

Pages have been rearranged so that related items are grouped together.

The redesigned XDR Dashboard.

1. The **Intelligence** menu item
2. The **Infrastructure** menu item

3. The **Setup** menu item
4. The **Help** menu item

Intelligence Menu Item

The **Intelligence** menu item contains pages that relate to security risks.

Infrastructure Menu Item

The **Infrastructure** menu item contains all pages that allow you to operate XDR services.

Setup Menu Item

The **Setup** menu item contains all the pages that relate to your XDR settings.

Renamed pages

To align with new product groupings and to improve usability, we've renamed some pages.

The following pages have been renamed:

Previous Name	New Name
Network & Log Overview	Security Overview
Email Protection	Email Security
Endpoint Protection	Endpoint Security
Endpoint Manage Devices	Endpoint Devices

Help Icon Moved

To align with industry standards, the **Help** icon is now located in the upper right corner, under the **Account** menu.
