

## List of Applications, Applets and Services used by Barracuda RMM

<https://campus.barracuda.com/doc/98217091/>

The Barracuda RMM Support Team has compiled the following lists of applications, applets and services deployed across and used in your environment from Barracuda RMM. This list will be updated as additional changes, additions, or removals occur. Please refer to this when attempting to determine what sort of services might need to be looked into for Firewall and Antivirus exclusions.
