

## Barracuda XDR Release Notes — January 2023

<https://campus.barracuda.com/doc/98219396/>

### Enhancements to the Integrations Page

The following enhancements have been made to the **Integrations** page:

- Improved searching, including searching by connection type.
- Setup instructions for Inky and Cylance are now available through the **Integrations** page.
- All data sources can be configured through the **Integrations** page.

### Backend Enhancements

Additional enhancements have been made on the backend to allow for future features, including self-service deployments and the upcoming XDR agent.
