Release and Migration Notes

https://campus.barracuda.com/doc/98223563/

Release notes are available for each firmware version of Barracuda SecureEdge. Release notes contain a list of new features, improvements, and known issues.

Release Notes - Barracuda SecureEdge

- For more information, see Release Notes.

Migration Notes

Migration notes are available if necessary and contain steps to be carried out during an update.

- For more information, see Migration Notes.

Release Notes - Barracuda SecureEdge Access Agent

- For more information, see Release Notes - Barracuda SecureEdge Access Agent.

Changelog Cloud UI

All changes to the Cloud Web UI that are not covered by the release notes of a specific firmware version are listed in the changelog.

- For more information, see Changelog Cloud UI

Further Information

- For more information on the update process, see Updates.
