

How to Create a Barracuda Cloud Control Account for Barracuda SecureEdge

<https://campus.barracuda.com/doc/98223590/>

For Barracuda SecureEdge you need a Barracuda Cloud Control account.

Step 1. Create a Barracuda Cloud Control Account

1. Go to <https://login.barracudanetworks.com/>.
2. Click **Create a User**.

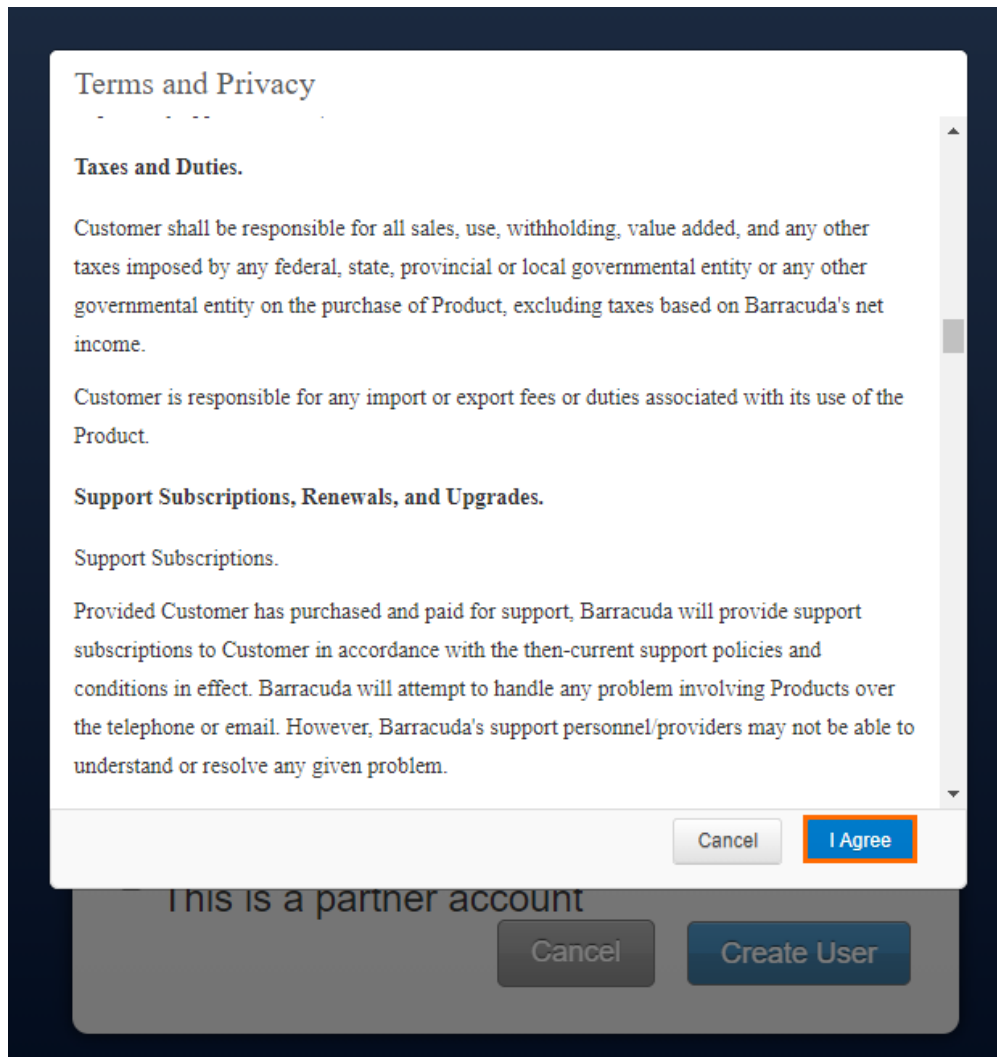

The image shows a screenshot of the Barracuda login page. At the top is the Barracuda logo. Below it, the text "Sign In with your Barracuda Account" is displayed. There is an input field for "Email Address". Below the input field is a blue button labeled "NEXT". Below the "NEXT" button is a link labeled "CREATE A USER" which is highlighted with an orange rectangular border. At the bottom of the main content area, there is a line of text: "By clicking 'Next', you agree to our [Privacy Policy](#)". At the very bottom of the page, there is a light gray bar with the text "VIEW PRODUCT DEMOS >" in blue.

3. The **Create New User** window opens. Enter values for the following:
 - **Name** – Enter your name.
 - **Email Address** – Enter your email address.
 - **Company Name** – Enter your company name.

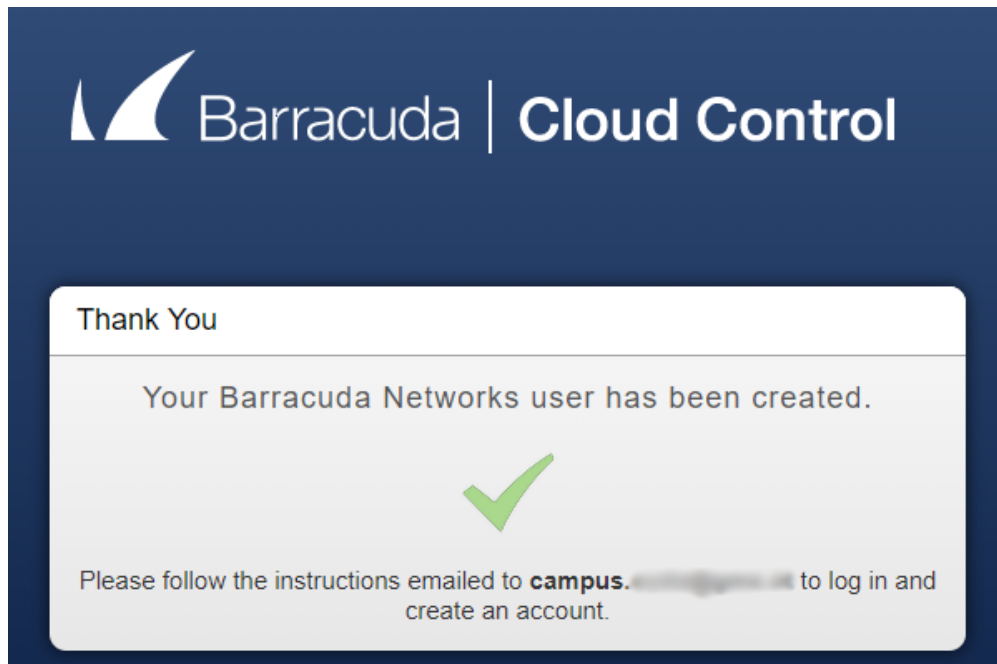

The image shows a 'Create New User' dialog box from the Barracuda Cloud Control interface. The dialog has a dark blue header with the Barracuda logo and the text 'Barracuda | Cloud Control'. Below the header, the title 'Create New User' is displayed. There are three input fields: the first contains 'Campus', the second contains 'campus@barracuda.com', and the third contains 'Barracuda'. Below these fields is a checkbox labeled 'This is a partner account'. At the bottom right, there are two buttons: 'Cancel' and 'Create User'. The 'Create User' button is highlighted with an orange border.

4. Click **Create User**.
5. The **Terms and Privacy** window opens.

6. Read the terms and privacy statement and click **I Agree**.
7. A notification window opens stating that an email has been sent to you.

Step 2. Verify Your Data and Set the Password for the New Account

1. Log into the email account used in Step 1.
2. Open the hyperlink received in the email from Barracuda Networks to verify your information.

Hello Campus,

Welcome to Barracuda Networks.

In order to complete the setup of your new account, please click the link below to verify your information.

https://login.barracudanetworks.com/auth/change_password/PC-b2b1d982b75f3dbe4d0492b93f0012ad51530801-13bd8ae9a89de38ef4b39e832fe821a3/new?company=Barracuda

Login Username:

campus. [redacted]

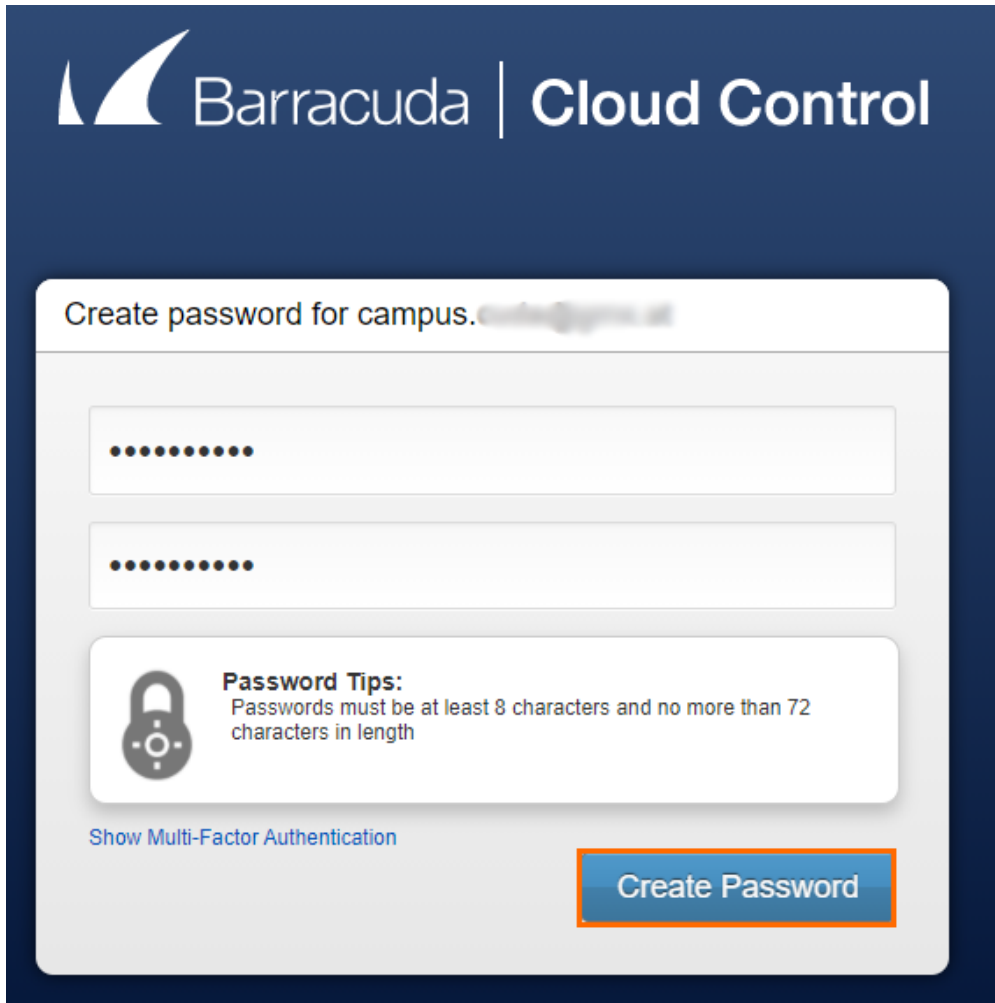

Thank you,

- Barracuda Networks

<http://www.barracudanetworks.com/>

3. **Barracuda Cloud Control** opens automatically in your web browser.
4. Enter a password and verify the new password by retyping it in the box below.

The password must not contain a "%" character!

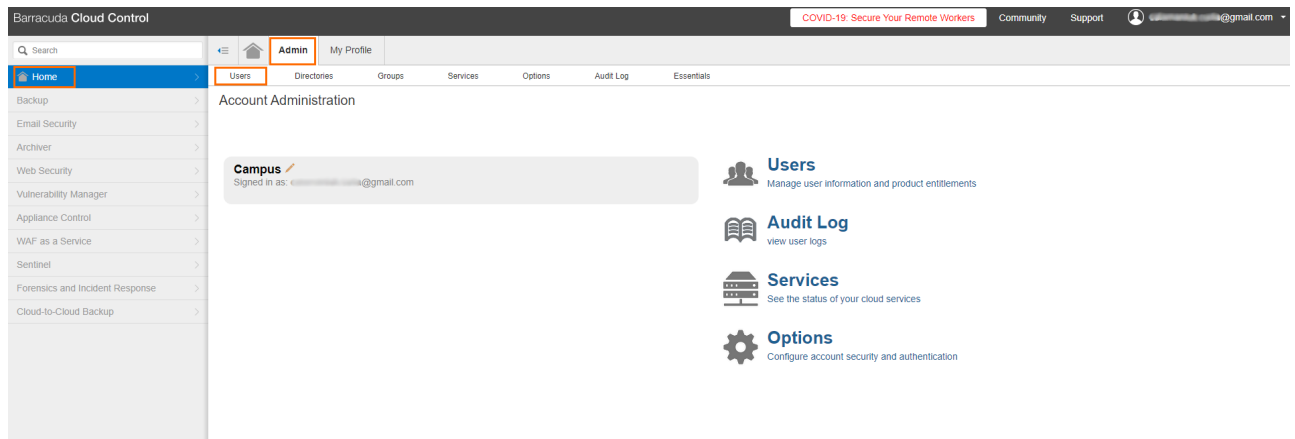

5. Click **Create Password** to save the new password.

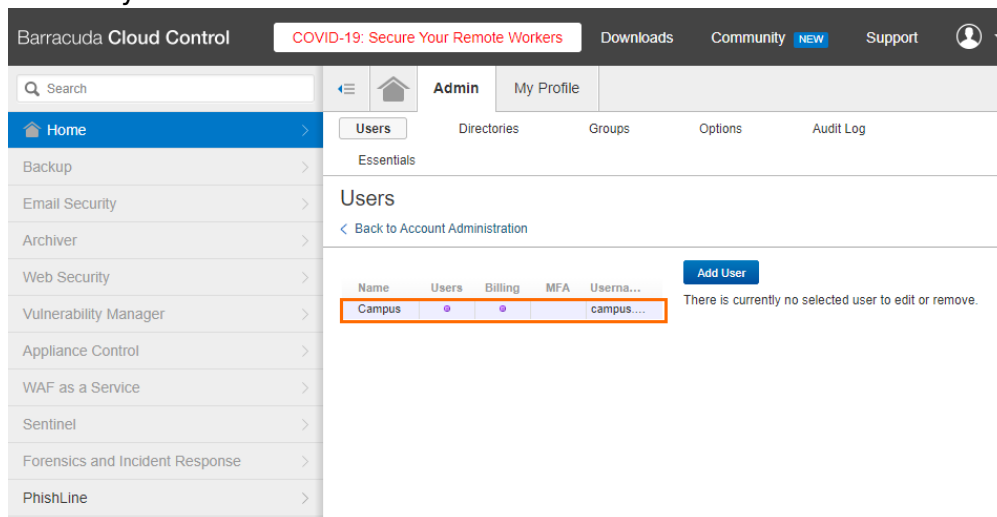

The newly created user can now access Barracuda Cloud Control and Barracuda SecureEdge by using the email address from Step 1 and the password created in Step 2.

Step 3 Enable Access for Barracuda SecureEdge and Zero Touch Deployment

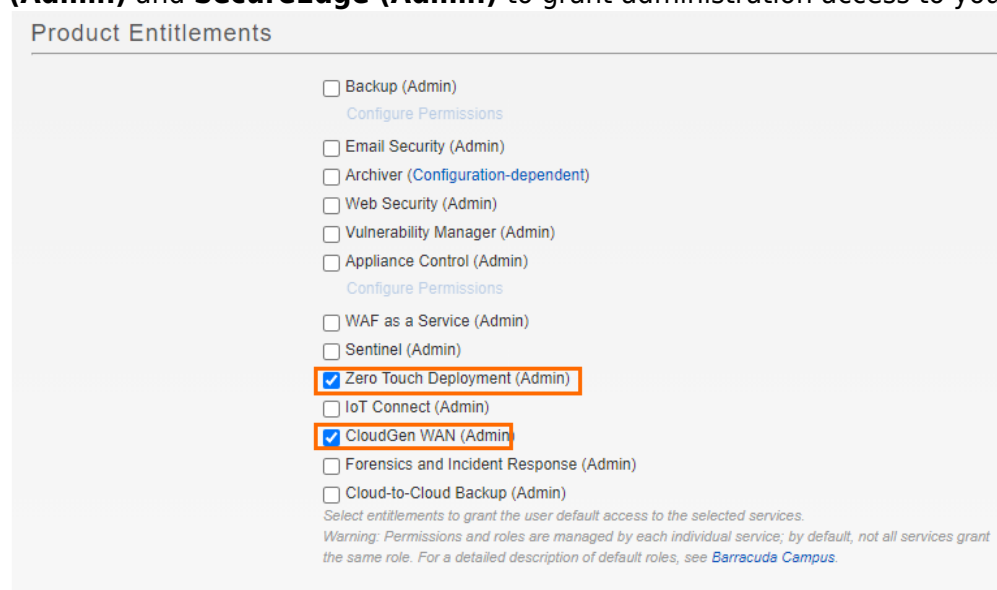

1. Go to <https://login.barracudanetworks.com/>.
2. Sign in with your email address used in Step 1 and your password created in Step 2.
3. Click **Home** in the left menu.
4. Click **Admin** to go to the Account Administration section.
5. Click **Users** to open the User Management section.

6. Click on your own user account in the list.

7. In the **Product Entitlements** section, select the check box next to **Zero Touch Deployment (Admin)** and **SecureEdge (Admin)** to grant administration access to your account.

8. Click **Save user** to save the changes.

This account can now be used for Barracuda SecureEdge.

Next Step

Continue with [Getting Started](#).
